

RAMEEN ZAHID

Aspiring Software Quality Assurance Tester | Manual & Functional Testing

Lahore, Pakistan | +923340033559 | rameenzahid139@gmail.com | [LinkedIn](#)

PROFESSIONAL SUMMARY

Detail-oriented Computer Science graduate seeking to launch a career in Quality Assurance. Equipped with a strong foundation in manual, functional, and regression testing, gained through academic projects covering the full SDLC and STLC. Comfortable with test case design, defect tracking, and requirement analysis, with working knowledge of SQL/MySQL for database validation and tools like Jira, ClickUp, and Trello for test and project management. Brings strong analytical thinking, attention to detail, and communication skills, with a genuine enthusiasm for learning and growing within a QA team.

SKILLS

Manual Testing: Functional Testing, Regression Testing, Smoke Testing, Sanity Testing, User Acceptance Testing (UAT), Black Box Testing

Quality Assurance Fundamentals: Test Plan Creation, Test Case Design, Test Execution, Bug Life Cycle, Defect Tracking, Test Documentation

Development Methodologies: Software Development Life Cycle (SDLC), Software Testing Life Cycle (STLC), Agile & Scrum Basics

Bug Tracking & Project Management Tools: Jira, ClickUp, Trello, Notion

Database Fundamentals: SQL, MySQL, Basic Database Validation

Web Technologies (for Testing Context): HTML, CSS, JavaScript, PHP

Version Control: Git, GitHub

Documentation: Test Reports, Bug Reports, Requirement Analysis

Core Strengths: Analytical Thinking, Attention to Detail, Problem Solving, Communication, Team Collaboration, Time Management, Quick Learner

PROJECTS

Software Quality Assurance Testing Project — Web-Based Application

- Analyzed application requirements and designed structured test cases covering core functional workflows.
- Executed functional and regression testing cycles to verify application behavior and identify defects before release.
- Logged and tracked bugs through to resolution, maintaining clear documentation of test execution and outcomes.
- Applied SDLC and STLC principles throughout the testing process, using Jira for defect tracking and test management.

EDUCATION

Bachelor's Degree in Computer Science
Lahore College for Women University

2021 – 2025
